

Giordana Jersey Sizing

Below is the published sizing for the Giordana jersey we're using in 2023. We have found, however, that their sizing runs small. We advise ordering one size up. If you want more detailed information about jersey sizing, we measured the assorted sample sizes we received and those measurements are shown to the right. We suggest measuring a jersey that you know fits you well and try to match it.

Giordana's published sizing			
Women's	chest (inches)		Men's
			chest (inches)
